SUGGESTED PLAN

(1) The Board of Directors will consist of the Presidents of each community-minded club or fraternity within the area. Each succeeding President will serve on this Board.

(2) The Board will divide itself into certain committees, such as budget, arrangements, publicity, donor list, etc. A chairman will be elected to conduct Board meetings only. Each president will organize as necessary within his own club.

(3) Donors will be divided into two or three groups: Owners or executives in business firms and professional men; employees; and possibly a group composed of larger business firms and individuals who are expected to pledge more generous donations. A formula will be used in defining these groups as well as to determine what a fair donation should be.

Example of suggested minimums: At least $100 from business and professional group and at least $50 from employee group, and correspondingly higher from a special list of donors.

(4) The organization will support nationally-recognized charitable agencies, and charity-supported agencies of universal appeal.

(5) While the intent of this organization is to have a true single fund campaign, we realize that this could not be done without considerable delay. Therefore, an interim plan, which follows, will be put into effect at the earliest possible date. This plan would be "an organization of donors", who would make reasonably large donations to an incorporated organization, which would disperse the funds so collected, in proportion to the budget requests of the agencies which our organization is helping support.

(a) Each donor and spouse would be given a numbered certificate, or the equivalent, showing that he had participated to a reasonable extent in helping the specified agencies meet their quotas. This should excuse him from giving further of his time or money to the agencies which will be helped by our fund.

(b) A donor may designate exactly how he wishes the money divided amongst the agencies, but he must still give the stipulated minimum donation.

(c) This plan will be used only if enough donors participate in order to assure reasonable support of the agencies' budget requests. If the plan is supported by a relatively few people, the money will be required before any money is accepted.

Lodi Coordinating Council Jan. 26, 1961

A regular meeting of Lodi Coordinating Council was called to order on Jan. 26, 1961 at 8 P.M. in the basement of the Lodi Public Library by President Judge Bainbridge.

The minutes of last regular meeting were approved as read.

Two problems of concern to the Lodi community that had been originally suggested for study at a past meeting by Mrs. William Tretheway, president Lodi P.T.A. council were discussed and recommendations accepted.

The subjects were "juvenile disturbances in the local movie theatre and "undesirable" literature sold at newstands.

A committee of eight met with the president Thursday evening January 19th for a preliminary study and discussion of findings on the two subjects. District? Attorney — Vaughn spoke to the group on the proposed new bill on "Obscene" literature pending in the legislature.

Albert Dehr representing the committee presented the report and recommendations.

Reported suggestions from the attorneys talk were that in small places the best results will be the person to person appeal to the dealer

as a customer and a united front with lots of time and preparation will have a greater impact.

Mrs. Thomas Cheatham moved and a committee was appointed by Judge Bainbridge to implement the cooperative effort of the community by contacting the magazine dealers in drug stores and grocery stores to keep the undesirable literature of newstands where teenagers or children would not have access to it.

Members of the committee named were: Mrs. Williams Trethewey, Judge Bainbridge, Amy Boynton, Aaron Heinrick, Albert Dehr, Mrs. Thomas Cheatham and Mrs. Ted Kutz.

To supplement the motion, Amy Boynton made a motion and the council voted to go on record to support legislation proposed by attorney General Stanley Mosk regarding obsene literature and instructed representatives of the Co-Ordinating Council organizations to inform them of this fact and ask their support.

Pertaining to the theatre problem Mr. Dehr submitted six recommedations prepared by the committee: (1 a better choice of films (2) more ushers (3) shorter shows (4) turning on lights inside the theatre and stopping the show when disturbance

starts (5) showing of the most suitable movie for children first when double features are presented (6) notifying parents when their children are evicted.

A general discussion followed and suggestions for improvement of conditions were proposed and rescinded.

Theatre manager Richard Scott agreed the problem existed at the local theatre but that other cities where he had operated theatres have the same problem and worse. He stated his willingness to cooperate, but some of the suggestions might not be economically feasible for the business man.

The council concurred with the profit concern but accepted two resolutions at this meeting as practicle.

Jack Hogatt moved the recommendation that the theatre manager notify parents of children or juveniles when their children are evicted for causing disturbance.

As the disturbances were monthly on week ends the second recommendation accepted was for more stringent supervision with suggestions that college students of more adult age be employed instead of high school students.

There being no further business, the meeting adjourned 9:40

Mr. Charles Epperson and Mr. George Kaemmerling gave a panel discussion on Communism and related dangers. Afterwards there was a question and answer period. There were a number of pamphlets available for members and a number of books on the subject were recommended.

CO-ORDINATING COUNCIL MEETING

The regular meeting of the Co-ordinating Council of Lodi was called to order by Albert Dehr, president, at 8 p.m., Thursday, February 8, 1962, in the auditorium of the Lodi Public Library.

Minutes of the December 14th meeting read and approved as read.

Mr. Dehr made a report on the January visit to the San Joaquin County Jail.

A letter from the Needham P.T.A., concerning the type of pictures being shown to children at the local theater, was read by the secretary.

Mrs. Seward of the Needham P.T.A. said that the same letter had been sent to all organizations, P.T.As., and ministers. She reported that the manager of the theater was not very co-operative. During the discussion that followed, these facts were brought out: That there should be previews---parents must co-operate with the P.T.A. to exert more pressure--all parents cannot be prevailed upon to give more time to the supervision of their children--more pressure from organizations. A P.T.A. rating of a picture placed next to the theater ad in the local newpaper was also suggested.

Rev. R. Binson of the First Methodist Church, Rev. Murry of the First Presbytarian Church, and Dr. Gaylord of the First Congregarional Church made up the panel to present ideas on a group to evaluate sources of information regarding subversive activity.

During the question and answer period that followed, Tony Rader, of the American Legion, introduced Mr. Chas. Epperson who wished to clear up a misunderstanding that occured during the November meeting.

There being no further business, the meeting was adjourned.

COORDINATING COUNCIL MEETING -- MAY 23, 1962 -- LODI PUBLIC LIBRARY

The meeting was called to order by the President, Mr. Dennis Campbell, at 7:45 p.m. The minutes of the previous meeting were read and approved without corrections or additions.

The President announced the appointments to the Executive Board for the coming year. They are as follows: Dennis Campbell, President; Donald Gaylord, Vice-President; Rosemarie Campbell, Secretary-Treasurer; Al Dehr; Amy Boynton; Vivian Fannen; Robert Perrin; Clinton Hoellworth; John Looser; Jack Takahashi; and Alice Naas.

Two standing committees were appointed by the President--Membership Committee with Rosemarie Campbell, John Looser, Gladys Boynton and Ida Rinn as its members, and a Public Relations Committee with Dennis Campbell and Charlotte Tullar as its members.

Under new business two amendments to the constitution were adopted.

(1) Amending Article IV, Officers and Elections, Section 3, to read as follows: The Executive Board shall consist of the elected officers and eight directors appointed by the President. Appointees to the Board shall serve for one year and shall be appointed one-half the appointed Board at the outset of the President's term and one-half at the mid-point of the President's term, which is during the month of November. It was moved by Amy Boynton, seconded and unanimously carried, that the amendment be adopted.

(2) Amending Article V, Meetings, to read as follows: The Council shall meet on the fourth Wednesday of each month, excepting July and August, and December. Additional meetings may be called at the discretion of two-thirds the membership present. The Executive Board shall meet at the call of the President. Amy Boynton moved that the amendment be adopted. It was seconded and passed unanimously.

The President explained the Family Service Agency financial position and noted that the Family Service Agency Board of Directors were to meet on May 24, 1962. He also commented that the Junior Chamber of Commerce was hoping to develop a means of financing or establishing financial stability for the Family Service Agency. He stated that he would meet with the Junior Chamber to discuss this matter. He added that a request for City funds to subsidize the Agency had been made and the matter would come before the City Council on June 6, 1962. It was noted that the City needs to be chartered before it is able to subsidize an agency such as this. After much further discussion on the financial status of the Agency and means of supporting it, it was concluded that a long range program would be the most desirable and that the Coordinating Council should unit all the clubs behind a major group.

Announcements--The Executive Board will meet on June 1, 1962.
The President announced the Public Affairs Group Forum on May 24th and urged members to attend.
Miss Boynton called attention to the City Capital Outlay Brochures, Library Fact Sheets and Bookmarkers.

There being no further business, the meeting was adjourned at 8:10 p.m.

LODI COORDINATING COUNCIL MEETING - WEDNESDAY, SEPTEMBER 26, 1962

The regular meeting of the LCC was called to order by the President, Dennis Campbell, at 7:30 p.m. in the Lodi Public Library Auditorium.

Verne Howen, LUHS teacher, reported on his recent State Department sponsored tour of Brazil. Following Mr. Howen's interesting talk, the minutes of the executive board meeting of June 1, 1962 were read and approved.

The treasury contains a balance of 9.95 to date.

The President noted that he had hoped to have a report from John Looser on the activities of the Family Service Agency, but due to Mr. Looser's having the flu, the report would have to be postponed until the next meeting.

A discussion of community problems and possible projects for the LCC to undertake this year took place. Some items mentioned were the migrant farm workers, Southern Pacific Railroad Track interference with traffic, especially ambulances and fire trucks, and the "Y" program.

It was suggested that the City Council be sent a letter with regard to the SP tracks and that this letter express the LCC's appreciation of the problems facing the City Council.

A committee to look into the possibilities of a "Y" was appointed, with Dennis Campbell as the Chairman and Vic Goehring and Mrs. Martin Sward as committee members.

There being no further business the meeting was adjourned at 9:00 p.m. The next meeting of the LCC will be the fourth Wednesday in October.

The minutes of the previous meeting were read and approved. The treasurer's report was given, noting a balance of $12.55.

The business of the evening included a discussion of a "Y" program or community center. Miss Jean Nelson of the Lodi Recreation Department was present to give a briefing on the activities of the Lodi Teenage Center. Mr. Lemoin Frey, representing a group planning to re-activate the Boys Club, gave a talk on that group's activities and the plans, programs, and benefits of a Boys Club.

After the talks were presented, questions were asked regarding the possible overlapping of activities, the possibility of co-ordinating the activities in a community center, and what programs would be of better service to Lodi.

It was suggested that the President look into the "Y" program in Sacramento and the community center program in Palo Alto. The President said he would look into the possible programs more thoroughly and make a report at the next meeting.

There being no further business, the meeting was adjourned at 8:30 p.m.

LODI COORDINATING COUNCIL MEETING -- NOVEMBER 28, 1962

The regular meeting of the Lodi Co-ordinating Council was called to order on Wednesday, November 28, 1962 by the President, Dennis Campbell, at 7:40 p.m. in the Lodi Public Library auditorium.

The minutes of the previous meeting were read and a treasurer's report was given. The balance in the treasury was $19.85.

The president reported that he had contacted the Palo Alto community center and that the center had been built in 1939. The cost of a similar center to date would be at least $625,000. He also checked with Ed DeBenedetti, Recreation Director, on the possibility of a community center. Mr. DeBenedetti told him that an effort would be made to utilize the schools better for activities and stated that possibly in the future such a center might be partially financed through City funds.

It was suggested that the Family Service Agency be given financial aid through the Lodi Co-ordinating Council's sponsoring a fund raising dinner in the Spring. It was suggested to charge $5 per plate. It was felt that possibly the figure of $5 was too high and a figure of $3.50 was suggested. The representatives present were instructed to inform their respective clubs of the proposed dinner and get their reaction. A speaker of special interest and stature, probably in the field of government or mental health, would be an attracting factor. It was noted that some type of entertainment might also be desirable.

The President informed the group that the Boys Club was reorganizing. Al Dehr moved that the Co-ordinating Council indorse the Boys Club's efforts and that Dennis Campbell be designated to act as the agent of the LCC at the Boys Club meeting on November 29, 1962. The motion was seconded and passed.

Board of Directors were appointed for the term commencing November 1962 and ending November 1963. They were Amy Boynton, Jack Tackahashi, Alice Naas, and Al Dehr.

The "Y" program was encouraged to be continued as a topic of discussion and possible development. It was felt that such a program was greatly needed because of the lack of activities for single adults and its wide expanse of age groups. It was noted that an extension of "Y" services from Sacramento or Stockton might be attainable. Basil Fleming stated that Woodland had recently completed a Y.M.C.A. building and could also be contacted for information. The President said that he would try to have the Director of the Stockton Y.M.C.A. program as a speaker at the January meeting.

There being no further business, the meeting was adjourned at 8:10 p.m.

Mr. Carl Melander and Mr. John Weeks from the Stockton Y.M.C.A. were present to inform the group of the various programs available for community participation. After their presentation the group asked questions about particular aspects of the program.

Dr. Donald Gaylord, Irene Jurgenson and Dennis Campbell are to be on a committee to meet with Mr. Melander and Mr. Weeks for the purpose of working out a specific program for Lodi.

Al Dehr was appointed to check with various catering services and Dennis Campbell stated that he would report at the next meeting on available speakers and locations at which the dinner might be held.

Three speaker sources were noted were from Stockton State Hospital, State Department of Mental Hygiene and Al Yaeger, Educational Director at Duel Vocational Institute. May 22, 1962 was suggested as a possible date on which to hold the dinner.

There being no further business, the meeting was adjourned at 9:40 P.M.

CO-ORDINATING COUNCIL EXECUTIVE BOARD MEETING - JUNE 1, 1962

Members Present: Jack Takahashi, Alice Naas, John Looser, Amy Boynton, Rosemarie Campbell, Dennis Campbell, Al Dehr, Vivian Fannen, Bob Perrin.

Members Absent: Donald Gaylord, Clint Hoellworth.

The meeting was called to order by the President, Dennis Campbell, at 7:45 p.m.

John Looser reported on the Junior Chamber of Commerce's proposal for meeting the financial needs of the Family Service Agency. There are now two alternatives available which can be used. Presently under consideration is the following: The City has been left $18,000 from Lee Jones of Sherwin-Jones Winery. A part of this amount was designated for use in public welfare services. At the June 6th meeting of the City Council the JC's are going to request a portion of this amount to finance the FSA. John Looser and some of the others present felt that if they could present a good case for the FSA, the chances of receiving the grant were favorable.

The second alternative, was one mentioned at the previous general meeting of the Co-ordinating Council. The JC's would conduct a fund raising campaign, soliciting funds from everyone in the District. Both plans would still take into consideration a long range program to insure a degree of financial stability for the FSA.

Al Dehr suggested that a donation of $100 from the LCC treasury be given to the FSA. After some discussion, Al Dehr moved, Alice Naas seconded, that $100 be donated to the FSA from the Lodi Co-ordinating Council treasury if the City of Lodi does not issue a grant to the FSA. Discussion on the motion followed. John Looser commented that additional money could be used by the JC's in order to promote the second alternative for financing the FSA. Amy Boynton felt that it would be better to use the money as a stop gap at the present and give it directly to the FSA. Vivian Fannen stated that the money wouldn't keep the agency going long enough. Al Dehr withdrew the exception on his previous motion and Alice Naas seconded the motion as restated. The motion passed unanimously.

The President was instructed to draft a letter to be presented at the City Council meeting stating the Co-ordinating Council support of the City's granting funds to the FSA.

The LCC membership committee was requested to start a membership campaign during the summer. It was suggested that official groups as well as social organizations be contacted.

The next meeting of the LCC will be held in September. The meeting was adjourned at 8:30 p.m.

LODI CO-ORDINATING COUNCIL MEETING -- SEPTEMBER, I9, I963

The meeting was called to order by the President, Mr. Gene Walton, at 7:500p.m. The minutes of the previous meeting were not read, as it was the annual installation dinner.

President Walton, spoke to the members about the purpose of the Council being a service to other clubs, a club to serve clubs and of setting up a calender of events, to be posted and sent to other organizations, thus aiding them by avoiding setting conflicting dates for their events.

The speaker of the evening, was Mr. Bayonne Glenn, Executive Director for Sacramento YWCA, who gave an informal talk on a program for young adults, and extended an invitation to the Council to visit their programs in Sacramento.

A motion was made by Albert Dehr, seconded, and carried that the Constutuon be ammended to provide that the president shall call the first meeting of the year and that this first meeting shall determine the time and day for all meetings for that year. Motion must be read again at next meeting.

There being no further business, the meeting was adjourned, the next meeting of the Lodi Co-ordinating Council will be Oct. I6.
